I Brendon Piper am opposing the factual basis/disputing the FTX's recovery trust's determination that its partially satisfied claim has been partially satisfied. Based off the attached schedule 2 form stating that I received a partial distribution of 0.132782450000000 BTC. This distribution amount is an overstatement of at least 0.10440072 BTC. Looking at the withdrawal activity on my account, you can see the withdrawal amount recorded twice with two different destination addresses.
